Kiwanis Club of Menifee Quarterly Charity Bingo

By Lt Governor Paul Wilkinson

The *Kiwanis Club of Menifee* held their quarterly Charity BINGO on March 5, 2011. Nearly 90 community members attended the event which raised over \$1,300. Local businesses provide gift certificates, baskets and other giveaways that are raffled between games.

This quarterly event is on its second year and is becoming the premier fundraiser for the club to support local community projects including Terrific Kids, Student of the Month college scholarships, High School Key Clubs and other local programs.

Club members served a full pasta, salad and bread dinner with food from "Giovanni's Restaurant" and desert provided by "The Beer Hunter" in Menifee.

The next Bingo is scheduled for June 11, 2011. Tickets are \$20 in advance and \$25 at the door.

President Ron Butler (right) presents a letter of appreciation to Sherri Laffey, from the Burn Institute Inland Empire who shared with our members about their many life changing programs.

[About the Burn Institute](#)

The Burn Institute is a nonprofit health agency dedicated to reducing the number of burn injuries and deaths in San Diego, Imperial, Riverside and San Bernardino counties. Founded in 1972, one of the Institute's first accomplishments was to help establish the UCSD Regional Burn Center. Today, the Burn Institute continues to: reach thousands of children and adults each year with lifesaving fire and burn prevention education; fund vital burn research and treatment; and conduct burn survivor support programs that help children and adults cope with the devastating psychological and physical effects of their injuries. ***Please click on the picture for more information about the Burn Institute.***

The six permanent *Objects of Kiwanis International* were approved by Kiwanis club delegates, at the 1924 Convention in Denver, Colorado. Through the succeeding decades, they have remained unchanged.

1. To give primacy to the human and spiritual rather than to the material values of life.
2. To encourage the daily living of the Golden Rule in all human relationships.
3. To promote the adoption and the application of higher social, business, and professional standards.
4. To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
5. To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
6. To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.
